## **Training & Working Principles**

- Authenticity
- Believing in People And Their Potential
- Cooperation: Share to Grow
- Doing The Right Thing
- Love and Honesty
- Optimism & Patience
- Respect & Self-Esteem
- Service to Give The Best They Deserve
- Tolerance

## **What I Believe**

No methods and no learning solutions will work unless there is some-one with love and passion behind them.

Many people are not aware of their enormous learning capabilities - good trainers and coaches can make them see and feel.

Being scared and under pressure reduces learning abilities to a minimum.

All changes start from the inside.

Hannes W. Felgitsch
